

CHROMATIN AND TRANSCRIPTION
July 7 - 12, 2007
Snowmass Village, Colorado

Co-organizers:
Geneviève ALMOUZNI
CNRS/Institut Curie
Paris, France

Shiv I.S. GREWAL
NCI, NIH
Bethesda, MD, USA

* Speakers confirmed

Saturday, July 7, 2007

4:00p.m. – 9:00p.m.	Conference Registration
6:00p.m. – 7:00 p.m.	FASEB Opening Reception
7:00p.m. – 8:30 p.m.	Dinner

Sunday, July 8, 2007

7:30a.m. – 9:00a.m.	Breakfast
---------------------	-----------

Session 1: 9:00am – 12:30pm **Histone modification patterns and gene expression**

Shelley Berger, Wistar Institute, Philadelphia*

Thomas Jenuwein, IMP Vienna*

Michael Grunstein, University of California, Los Angeles*

Richard Young, Whitehead/MIT*

Short talks to be chosen from abstracts submitted

12:30p.m. – 1:30p.m	Lunch
---------------------	-------

Free Afternoon

4:00p.m. – 6:00p.m. Poster Session 1

6:00p.m. – 7:00p.m. Dinner

Session 2: 7:00pm – 10:15pm Transcription, chromatin dynamics and post-translational modifications

Jerry Workman, Stowers Institute*

Kevin Struhl, Harvard Medical School, Boston*

Yi Zhang, University of North Carolina, Durham*

Tony Kouzarides, University of Cambridge, UK*

Sharon Dent, MD Anderson, Houston*

Short talks to be chosen from abstracts submitted

Monday, July 9, 2007

7:30a.m. – 9:00a.m. Breakfast

Session 3: 9:00am – 12:15pm Chromatin assembly and gene expression

Jane Mellor, Oxford University, Oxford, UK*

Fred Winston, Harvard University, Boston*

Gordon Hager, NIH, Bethesda*

John Lis, Cornell University, Itaca, NY*

Kristian Helin, Univ of Copenhagen, Denmark*

Short talks to be chosen from abstracts submitted

12:15p.m. – 1:30p.m. Lunch

Free Afternoon

4:00p.m. – 6:00p.m. Poster Session 2

6:00p.m. – 7:00p.m. Dinner

Session 4: 7:00p.m. – 10:15p.m Chromatin remodeling, chaperones and their partners

Carl Wu, NIH, Bethesda*

Bob Kingston, MGH/Harvard, Boston*

Toshio Tsukiyama, Fred Hutchinson Institute, Seattle*

Danny Reinberg, NYU, New York*

Geeta Narlikar, UCSF, San Francisco*

Jessica Tyler, University of Colorado, Denver*

Short talks to be chosen from abstracts submitted

Tuesday, July 10, 2007

7:30a.m. – 9:00a.m. Breakfast

Session 5: 9:00am. – 12:15p.m Chromosome, nuclear organization and DNA metabolism

Susan Gasser, Friedrich Meischer Institute, Switzerland*

Gary Felsenfeld, NIH, Bethesda*

Ulrich Lammler, University of Geneva, Switzerland*

Giacomo Cavalli, Institut de Génétique Humaine, France*

Peter Fraser, Babraham Institute, Cambridge, UK*

Short talks to be chosen from abstracts submitted

12:15p.m. – 1:30p.m. Lunch

Free Afternoon

4:00p.m. – 6:00p.m. Poster Session 3

6:00p.m. – 7:00p.m. Dinner

Session 6: 7:00pm – 10:15pm RNAi, silent chromatin assembly and other RNA mediated events

Steve Jacobsen, UCLA, Los Angeles*

Sarah Elgin, Washington University, Saint Louis*

Robin Allshire, University of Edinburgh, UK*

Vicki Chandler, University of Arizona*

Jeanie Lee, Massachusetts General Hospital, Boston*

Short talks to be chosen from abstracts submitted

Wednesday, July 11, 2007

7:30a.m. – 9:00a.m. Breakfast

Session 7: 9:00am – 12:15pm Specialized chromatin domains, centromeres and telomeres

Barbara Meyer, University of California, Berkeley*

Peter Becker, Adolf Butenandt Institut, Munich*

Edith Heard, CNRS / Institut Curie, Paris*

Gary Karpen, Lawrence Berkeley Labs, Berkeley*

Julie Cooper, Cancer Research UK*

Short talks to be chosen from abstracts submitted

12:15p.m. – 1:30p.m. Lunch

Free Afternoon/Organized Activities
Times and Activities: TBD

4:00p.m. – 6:00p.m. Poster Session 4

6:00p.m. – 7:30.m. Dinner

Session 8: 7:30pm – 10:45pm Nucleosome structure and histone replacement

Steve Henikoff, Fred Hutchinson Institute, Seattle*

Tim Richmond, Swiss Federal Institute of Technology*

Karolin Luger, Colorado State University*

Mitchell Smith, University of Virginia*

Short talks to be chosen from abstracts submitted

Thursday, July 12, 2007

7:30a.m. – 9:00a.m. Breakfast

Session 9: 9:00am – 12:15pm Chromatin, cell fate and development

Denise Barlow, Vienna Biocenter, Austria*

Wolf Reik, Babraham Institute, Cambridge, UK*

Dirk Schubeler, Friedrich Miescher Institute, Switzerland*

Matthias Merkenschlager, MRC, London*

Saadi Khochbin, Institut Albert Bonniot, Grenoble*

12:15p.m. – 1:30p.m.

Box Lunches Available
